Customers at Earls Restaurants are being encouraged to enjoy a sweet treat at the end of their meal, and it's all for a good cause.

Since its inception 11 years ago, Earls' annual Children's Hospitals fundraising campaign has raised more than half a million dollars. This year's fundraising goal is \$60,000, to be raised by the sale of 50-gram milk chocolate bars made by Purdy's Chocolates. Dubbed "Thoughtful Chocolate Bars," they are available from now until Easter for \$2 at all Earls Restaurants. Net proceeds will benefit Children's Hospital Foundation or a children's charity in communities where Earls operates.

If your quota for Easter chocolate exceeds the Thoughtful Chocolate Bars, proceed to Purdy's, where this year's offerings include all the traditional treats: Hopkins, Peter Rabbit, Baby Bunny and loads of Lilliput Eggs.

Grownups will love the dark chocolate Mr. McGregor and the truffle eggs. And new this year is the Himalayan Pink Salt Caramel: a vanilla caramel topped with a sprinkling of pink salt crystals that were harvested from an ancient sea salt deposit in the Himalayan Mountain Range that was crystallized during the Jurassic Era.
